

Hello!

We hope you are well and enjoying some of the wonderful summer weather we've been experiencing.

This month, we have a few things to tell you about in the world of careers and Get Career Confident:

What to do over the summer?

We have compiled a list of things young people can do over the summer, from work experience to volunteering and having fun! Find out more [here](#).

What Next Sussex - 7th October 2021

We are delighted to be running our virtual Post 16 options event again in October! This event will really help young people and their parents/carers and teachers make choices about where and what to do next. With representatives from sixth form & FE colleges, apprenticeships, universities and employers from across Sussex, the event is not to be missed if you or your child are starting Year 11 in September. Sign up and more info [here](#)

New SeeToBe Films

We have been busy making new films to inspire students to make good choices about their futures. We've got some fantastic new See to Bes, including an author, archaeologist, a special FX makeup artist, a cameraman and a Community Fundraising Executive working for an animal charity. Check them out [here](#)

New Virtual Work Experience Opportunities

We have updated our virtual work experience information and opportunities so there is now plenty to choose from and lots more detail to help you decide which work experience is right for you. Explore the selection [here](#).

New Content to help with careers research

Researching careers can sometimes be like searching for a needle in a haystack and it can be very hard to know if the information is correct! Have a look at our list of useful resources [here](#) which will help you explore any career ideas you might already have.

Careers Share for Parents/Carers and Teachers

Parents and carers are an invaluable resource for schools and their students, and our campaign *Career Share* aims to bring parents and carers and schools together. Find out more about getting involved [here](#).

Mash's words of wisdom!

Students, especially those in Year 11 and 13, are needing to make lots of choices at the moment. Making decisions can be really difficult and our Careers mascot, Mash wants to remind you *'It's ok to do what's best for you!'*

We hope you enjoy the last month of school (or you're already enjoying an extra long holiday!) and wish you all a fabulous summer from the Get Career Confident Team!
